

MEMORANDUM FOR: General Cabell

16 October 1956

I talked for about half an hour this morning with the Director about our plans. As you and I had agreed we stayed completely away from any final conclusions or decisions. I believe the conversation may have served to stimulated him to reflect further on the decisions that need to be made.

I will be here on the 18th but away on the 19th. My purpose in writing you this note is to urge that you pin the Director down to a definite time Saturday morning when the three of us can review our situation and lay our plans. I have postponed my departure for Europe from the 22nd until the 23rd but will be in bad trouble if I cannot obtain decisions from you and the Director on the 20th.

Dictated but not read by:
